We are pleased to offer free training to help you get the most from Prospector and our other value added MetroList services and products. Traditional classroom style training is held in convenient facilities throughout our service area. Please check the schedule below to find a training time and location best-suited for you.

Reservations are Required

To ensure ample space availability, **reservations are required** for all training courses. To register, log onto Prospector and in the **Single Sign-On Module** select the **Training/Events icon**. Click on the **Register for Training, Seminars and Events link**, and register for your class. Registering online is fast and easy.

Important Note

To register for Prospector Course 2, student must have completed Prospector Course 1. We also encourage students to take Course 1 and Course 2 on different days.
