Automatic Credit Card Billing Form

MetroList is able to offer at no additional charge a credit card service. If you wish to sign up, MetroList will charge your credit card **automatically** for your MLS fees for the current month on approximately the 5th of each month. The amount that will be charged to your credit card will include your MLS participant/Subscriber Fee, if you have a DisplayKey, also the System Use and Key Lease Fee, and any other currently outstanding MLS Fees (i.e. fines, purchases, template fees, voicemail fees) on your account. The amount charged might vary from person to person depending upon the services each person receives and the Sales Tax jurisdiction each person is located in. However, your charge will remain the same month to month unless you change the services that you receive from MetroList.

No Invoice will be mailed to you. If you choose this billing option, MetroList will stop billing you quarterly in advance for MLS fees. MetroList can currently accept VISA, MASTERCARD, AMERICAN EXPRESS, DISCOVER & DINERS cards.
